

IRIDIUM 9575 EXTREME

The latest handset from IRIDIUM and the first satellite phone to achieve the military-grade 810f durability rating and Ingress Protection rating of 65. This is Iridium's smallest and toughest phone yet.

Features:

- GPS-enabled location based services and online tracking
- Accessory adaptor for a range of additional features and expansion options including Wi-Fi hotspot
- Toughest military-grade satellite phone yet with an IP65 rating, making it dust proof, water jet resistant and shock resistant
- One touch message button
- USB chargeable and connectivity

The Iridium 9575 EXTREME offers pole-to-pole connectivity in a ruggedized, compact and optimised format.
